From the Pastor's Desk

Dear Siblings in Christ,

I'm having trouble believing that we are this far into Lent. This year the season feels like it's moved quickly. Perhaps it is partially because we were snowed out for Ash Wednesday, but more than likely it has more to do with our perception of time: as every year passes, our view of time is shifted. Think of it this way: when you were 4 years old, a year equaled 25% of your lifetime. At age 40, 25% of your life would be 10 years. That's quite the difference!

No matter how quickly it seems time is moving, we know that the aim of this season of Lent is to mark the time. We observe 40 days of preparation, including Jesus' last days. Even so, we also remember that Jesus lives! On Easter, we celebrate the good news that death does NOT get the final word.

As I'm writing, it is the week before Holy Week. There is much to plan and prepare. And still two more soup suppers and 4 worship services to enjoy together as a parish before we get to Easter. Even though this is a season of preparation, of reflection, and so much more. As we prepare, remember to invite your neighbors to join us for this spectacular season:

Bishop Eaton Issues Statement on Anti-Transgender Legislation

As we approach March 31, many people are preparing to recognize Transgender Day of Visibility, an international day to celebrate the contributions of transgender people and raise awareness about the deadly injustices they face.

As bishop of this church, I am concerned that the rights of transgender and nonbinary Americans have been targeted all over this nation. Nearly 400 anti-LGBTQIA+ bills were introduced across the United States in 2022, most of them targeting trans youth. That is twice the number from 2021 and almost eight times the total from 2020. The language in many of these bills attacks the humanity of trans and nonbinary people, often erasing the dignity that should be afforded to everyone.

While members of our church hold various convictions regarding gender, the teaching of our church supports legislation and policies to protect every person's human dignity and civil rights. (Human Sexuality, p. 19) As Christians we believe every human being is created in God's image, and we must honor and celebrate God's creation. Our church teaches that we affirm transgender and nonbinary siblings as God's children, who are loved unconditionally. Our social statement *Faith, Sexism, and Justice: A Call to Action* (2019) also declares that this church commits itself to "advocate for and support laws, policies, and practices that respect diverse bodies rather than discriminating against, objectifying, or devaluing them" (p. 60).

I urge us, as people of faith, to love our neighbors, care for the vulnerable and marginalized, and work for justice and equality. We may have differing opinions on "matters related to sexual orientation and gender identity," (FSJ, p. 61) but we must always uphold the dignity and humanity of everyone. These disagreements do not allow us to accept actions that dehumanize, discriminate against or objectify any individual or group.

We must stand together, dear church, faithfully advocating for the full humanity and dignity of all people. Let us recognize and affirm the humanity of our transgender and nonbinary siblings. Let us advocate for their dignity. Let us continue to be guided by God's love and compassion as we seek justice and equality for everyone.

In Christ,

The Rev. Elizabeth A. Eaton
Presiding Bishop

Tools for the Church: Reaching Outside Our Walls

Saturday, April 29 - 9am-3pm/Gustavus Adolphus, St. Paul

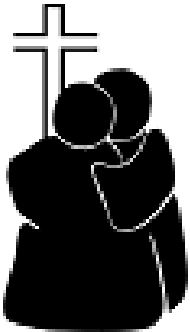

We are called as the church to be church with our neighbor and it is hard to do if we don't know who they are. This event will help you answer the questions listed above about how to reach outside your walls. Using demographics and asset mapping, we will begin to explore who your neighbor is, as well as the gifts your congregation offers and the challenges it faces.

Bring a team from your congregation to discuss the importance of being inviting instead of just welcoming and to contemplate how we are called to share our faith story. Includes lunch.

If anyone is interested in attending, please let Dawn, Pastor Cassie or Deacon Brad know to get signed up. This would be a great event for a couple people from both of our churches to attend.

Thanks & Joy—Atonement & Cross of Glory

- ♥ Greetings dear Atonement members! This is Margaret Carlson, once again. Somewhat recently I created a CaringBridge site for myself to be able to share and keep in touch more with friends and family. I would be thrilled if any of you who remember me from my time growing up at Atonement would visit and read about my continuing health journey, as well as follow my progress in my therapeutic horse lessons that many of you helped to make possible! Thank you again for all the kindness and love you've shown me, both recently and over the years, and for your interest in my recovery. Many blessings and with much love, Margaret Carlson The address to my online journal is:

Men's Assemble

The Men's Assemble performed on Sunday, February 26. Our Ash Wednesday service was cancelled due to weather so the Imposition of Ashes was done this Sunday.

From Cross of Glory's Council President

Lights, AEDs, Fountains, and... raccoons? Oh my!

Well to say that our first three months of 2023 have been anything but dull would be a bit of an understatement. Your council and property crew have been working hard on some new initiatives, some of which will be very noticeable very soon.

- We were approached with an offer from Xcel Energy to replace current fluorescent bulbs with more energy-efficient bulbs throughout the church. This program, which was at no cost to our church, resulted in 446 bulbs being replaced, giving us an estimated savings of \$1,437 each year on our electric bill. Thank you to Kevin Gaylor for heading up this project!
- With a special thank you to one of our donors, an AED (Automatic External Defibrillator) is being purchased for our church and will be installed in a location to provide easy access in case of an emergency. Studies have shown the faster that an AED can be applied for a cardiac emergency, the higher chance of the person surviving. We will also be offering training in the near future, once the unit is installed, for anyone wanting to know CPR, refresh their CPR knowledge, and learn how to use the AED. Thank you to both our donor and Jon Thomalla for heading up this project!
- Did you know, drinking water is HEALTHY? Also did you know carrying a water bottle is the new cool thing? That's right independent studies of otherwise forgetful and easily distracted people like myself have found that carrying a water bottle equates to drinking more water! Who would have thought? With an aging water fountain, it was decided to replace our current water fountain and add a water bottle fountain to it as well. Kevin Gaylor and our property crew will be working on the installation soon ... and we may just have to have a.. blessing of the fountain (there's something biblical in that right?)
- And finally, I am proud to be part of the welcoming community that is Cross of Glory. Over the years, since I have been here, we have welcomed new members, new families, new congregations, new staff... and even the occasional wildlife wanting to join our worship. Recently that was no exception when a raccoon (who has been named "Rocky") found shelter from the cold in our attic. While normally, guests are welcome with no strings attached, Rocky became a bit of an exception. Again with thanks to Kevin Gaylor and his crew, Rocky has relocated and the vent repaired and painted.

As a council, we continue to be blessed and encouraged by your continued support and faith in us and our partnership with Atonement as part of this Crossroads Parish. With Spring around the corner and the hope that this snow and ice may finally be leaving us for a while, I wish you all good health and welcome to Spring.
